Learning Intentions: To interpret the meaning and themes within the poem and enhance critical thinking through questioning and analysis

Description: Read the poem and answer the questions that follow

**There once was a girl who loved spring
She adored hearing all the birds sing
But she had allergies
And she started to sneeze
And decided spring wasn't her thing.**

1. Identify and note the rhyming words in the poem. What is the rhyming scheme?
2. Who is the main character in the poem, and what does she love?
3. What problem does the girl face in the poem, and how does it change her feelings about spring?
4. How does the rhyme help make the poem fun to read?
5. Why does the girl decide that spring isn't her thing?
 - A) She doesn't like the birds.
 - B) She enjoys sneezing.
 - C) Her allergies make her uncomfortable.
6. How does the poem show a change in the girl's feelings about spring?
 - A) She starts to love spring more.
 - B) She decides spring is not her favorite season.
 - C) She ignores the birds.
7. What is the main idea of the poem?
 - A) Spring is the best season.

- B) Preferences can change due to experiences.
 - C) Birds are noisy.
8. How might the girl's experience with allergies be similar to real-life decisions?
- A) Choices can be influenced by personal comfort.
 - B) Everyone loves sneezing.
 - C) Birds control our feelings.
9. Think about a time when you started to like or dislike something because of a specific experience. How did this experience change your feelings, and what did you learn from it?

Answer Key

1. Rhyming words:

- spring – sing – thing
- allergies – sneeze

Rhyming scheme: AABBA

(spring – A, sing – A, allergies – B, sneeze – B, thing – A)

2. The main character is a girl, and she loves spring and hearing the birds sing.

3. The girl has allergies, which make her sneeze a lot. Because of this, she decides that she does not like spring anymore.

4. The rhyme makes the poem sound musical and catchy. It creates a rhythm that makes it enjoyable and easy to remember.

5. C) Her allergies make her uncomfortable.

6. B) She decides spring is not her favorite season.

7. B) Preferences can change due to experiences.

8. A) Choices can be influenced by personal comfort.

9. Students responses may vary
